Hello!

Welcome to the 9th Annual Reverse Vendor Trade Show! This year's theme "Rev Up Results" is so appropriate since this is a meeting place where individuals participating can make worthwhile business alliances whether they're members of public agencies or business representatives. We hope you'll forge many alliances pertinent to your mission today.

Within the membership directory you will find a compilation of members, many of whom you will meet today, from the Oregon Public Purchasing Association, and also Columbia Chapter. Both are non-profit organizations and local chapters of NIGP, the Institute of Public Procurement. You will find the information presented in this directory helpful in providing quality products and services to our agencies, and ultimately, to the citizens of our communities.

We would like to express our great appreciation to all of the businesses that have contributed to be recognized as Bronze, Silver, Gold and Platinum Sponsors this year! Sponsor information is included in this directory, and will also be found on both Chapter's websites.

The support of all parties involved in the Reverse Vendor Trade Show provides our members with Oregon Public Purchasing Association and Columbia Chapter funded Scholarships, Columbia Chapter's Rewards Program, and a host of professional development opportunities that they may be otherwise denied due to financial constraints.

We would like to also thank the dedicated members of the Reverse Vendor Tradeshow Steering Committee and the special group of Chapter members that have volunteered their valuable time to make this a successful tradeshow for YOU.

We hope you enjoy the show and that we'll see you again next year!

Sincerely,

**Katie Shaw**  
President

Oregon Public Purchasing Association

**Theresa Green**  
President

Columbia Chapter, NIGP

# NIGP CODE OF ETHICS

The Institute believes, and it is a condition of membership, that the following ethical principles should govern the conduct of every person employed by a public sector procurement or materials management organization.

1. Seeks or accepts a position as head or employee only when fully in accord with the professional principles applicable thereto, and when confident of possessing the qualifications to serve under those principles to the advantage of the employing organization.
2. Believes in the dignity and worth of the services rendered by the organization and the societal responsibilities assumed as a trusted public servant.
3. Is governed by the highest ideals of honor and integrity in all public and personal relationships in order to merit the respect and inspire the confidence of the organization and the public being served.
4. Believes that personal aggrandizement or personal profit obtained through misuse of public or personal relationships is dishonest and not tolerable.
5. Identifies and eliminates participation of any individual in operational situations where a conflict of interest may be involved.
6. Believes that members of the Institute and its staff should at no time or under any circumstances accept directly or indirectly, gifts, gratuities, or other things of value from suppliers which might influence or appear to influence purchasing decisions.
7. Keeps the governmental organization informed, through appropriate channels, on problems and progress of applicable operations by emphasizing the importance of the facts.
8. Resists encroachment on control of personnel in order to preserve integrity as a professional manager. Handles all personnel matters on a merit basis. Politics, religion, ethnicity, gender and age carry no weight in personnel administration in the agency being directed or served.
9. Seeks or dispenses no personal favors. Handles each administrative problem objectively and emphatically without discrimination.
10. Subscribes to and supports the professional aims and objectives of the National Institute of Governmental Purchasing, Inc.

## The AdvanTel Advantage

### IT Integrator

Comprehensive services to support everything from design engineering, wireless and cabling infrastructure, installation and project management, remote monitoring, and support agreements.

### Contact Centers

Our survey finds 82% of consumers want companies to offer multiple channels of contact.

### Healthcare

See how healthcare professionals deliver better care in less time.

### Unified Communications

Enable fast and valuable communication and collaboration across your business. Mobility and desktop applications improve reaction time, in turn enabling you to accelerate business transactions and generate revenue.

AdvanTel Networks designs, implements and maintains powerful converged communication networks worldwide.

As an Avaya Platinum Partner, AdvanTel Networks delivers robust and reliable solutions for security, LAN/Wireless/WAN, VoIP & traditional voice solutions, and contact centers, while providing professional services such as consultation, project management, and managed services.

Corporate Headquarters  
2222 Trade Zone Blvd. San Jose, CA 95131

# Oregon

## Why go out to bid for multifunction devices?

Utilizing the WSCA contract saves a local agency time, budget, and the personnel necessary to produce an RFQ, RFP or bid solicitation.

### Contract Highlights:

- Buying power of a multi-state cooperative
- Favorable terms and conditions
- Broad range of acquisition methods
- Aggressively priced service and supply options
- Environmental considerations
- Security of multi-function devices requirements

All governmental entities within WSCA states as well as authorized governmental entities in non-WSCA states are welcome to use the approved agreements. Cooperative purchasing benefits states as well as cities, counties, public schools and institutions of higher education.

INTRODUCING:

**W. R. Bill Bailey**  
Ambassador  
Oregon and S. W. Washington

Permanent Pavement for  
Potholes, Paths and Parking.

Works in water

EZ Street asphalt can be applied directly into a water-filled pothole or any asphalt repair.

Guaranteed Permanent

Do it right the first time. Patch potholes or close utility cuts permanently.

Instantly ready for traffic

When initial compaction is complete, the EZ Street repair is ready to open up to traffic.

For more info contact: **W. R. Bill Bailey**  
Lakeside Industries 503-269-6206  
[www.lakesideindustries.com](http://www.lakesideindustries.com)

Guaranteed Permanent • Works in Water and All Weather

# THIN BLUE LINE REPORTING

"The Complete Mobile Solution"

**iTicket**

**iWarnings**

Thin Blue Line Reporting is a mobile **eTicket**, **eIncident Report**, **eCrash**, and **eCommand** system tailored for Law Enforcement. It allows multiple templates to be distributed to Officers' iPads or laptops. Citations, reports and warnings can then be issued by the officers and are available through the web interface in **real-time** for approval, printing, and situational awareness. Pictures, videos, drawings, and geotags can be attached to the reports. PDF417 Barcodes and magnetic strips can be read from drivers licenses and registrations and imported directly into the report. We **integrate** seamlessly with many **Records Management Systems** so current workflow can be maintained while increasing officers efficiencies in the field and allowing for more call responses in a timely fashion.

**Incident Reporting**

**Investigations**

**Evidence Management**

**iCrash**
