REVERSE VENDOR TRADE SHOW

Let's Get Down to Business!

10th ANNUAL

nimblestorage

Today's IT departments have truly become service organizations, charged with satisfying the needs of many disparate interests, both inside and outside their businesses. The modern IT organization must deliver the right resources at the right time within the right footprint, all in an increasingly turbulent and competitive environment. The most effective IT departments do more than serve their users – they become one of their companies' most important competitive advantages.

Greetings!

Welcome to the **10th Annual Reverse Vendor Trade Show! “Let’s Get Down to Business”**; our theme for the Reverse Vendor Trade Show really gets to the heart of why it is so important year after year. It is an opportunity for all of us to reach out and make the connections needed in order to meet the needs of both public procurement and the business community.

We value your attendance here today! Whether you are a public entity or a member of the business community, your presence demonstrates your dedication to the communities and regions represented at the annual Reverse Vendor Trade Show. When public entities and the business community work together, they can meet any goal. We thank all of our suppliers, public agencies, and members of our respective Chapters for coming together for another successful Reverse Vendor Trade Show. Now, *Let’s Get Down to Business!*

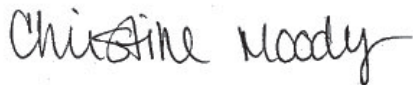

We would like to express our great appreciation to all of the businesses recognized as our Bronze, Silver, Gold, and Platinum Sponsors this year! Sponsor information is included in this directory, and will also be found on both Chapter’s websites. This trade show would not be possible without their support.

The proceeds from the Reverse Vendor Trade Show provides our members with Oregon Public Purchasing Association and Columbia Chapter funded Scholarships, funds the Columbia Chapter’s Rewards Program, and facilitates access to professional development opportunities that our members would otherwise be denied due to financial constraints.

Our deep thanks go out to the dedicated members of the Reverse Vendor Tradeshow Steering Committee and the special group of members from each Chapter that have volunteered their valuable time to make this Reverse Vendor Trade Show successful.

Thanks again for attending today, and we hope to see you again next year!

Sincerely,

Christine Moody, CPPO, CPPB
President
Oregon Public Purchasing Association

James C. Moering CPPO, CPPB, JD
President
Columbia Chapter, NIGP
