Price changes for U.S. Bank Business Checking, Savings and Treasury Management Services are effective Jan. 1, 2018. Please contact your Banker or Treasury Management Consultant for pricing information specific to your account. If you need assistance in reaching your bank contact, call Customer Service at the number listed in the upper right corner of this statement or send an email to Customer Service at commercialsupport@usbank.com.

Protecting your accounts is our highest priority. We have many safeguards in place to help ensure your accounts are secure. One of these is to close long-term inactive cards. If your U.S. Bank Business Edge Debit or ATM Card has not been used within the last 18 months, it may be closed. You will be notified at a later date in the event that your card will be closed. Please call us with any questions at 800-673-3555.

Effective February 12, 2018 we are making a change to provide more timely information for our customers. If a transaction causes an overdraft, any Overdraft Paid Fee(s) or Overdraft Returned Fee(s) will now show on the account by 6 AM CT under normal circumstances rather than midday. This change will allow you to see the impact of fees on your available balance earlier in the day. For terms and conditions regarding overdrafts, please refer to the "Your Deposit Account Agreement" booklet and "Business Pricing Information" brochure.

Telephone us at the number listed on the front of this statement or write to us at U.S. Bank P.O. Box 64991 St. Paul, MN

CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

Account information: Your name and account number.

• Dollar Amount: The dollar amount of the suspected error.

• Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- . We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

• We can apply any unpaid amount against your credit limit.

Reserve Line Balance Computation Method: To determine your Balance Subject to Interest Rate, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to Interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your Balance Subject to Interest Rate. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The ***INTEREST CHARGE*** begins from the date of each advance.

REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

CONSUMER REPORT DISPUTES

We may report information about negative account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: CRA Management, P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.

INFORMATION YOU SHOULD KNOW

Price changes for U.S. Bank Business Checking, Savings and Treasury Management Services are effective Jan. 1, 2018. Please contact your Banker or Treasury Management Consultant for pricing information specific to your account. If you need assistance in reaching your bank contact, call Customer Service at the number listed in the upper right corner of this statement or send an email to Customer Service at commercialsupport@usbank.com.

Effective February 12, 2018 we are making a change to provide more timely information for our customers. If a transaction causes an overdraft, any Overdraft Paid Fee(s) or Overdraft Returned Fee(s) will now show on the account by 6 AM CT under normal circumstances rather than midday. This change will allow you to see the impact of fees on your available balance earlier in the day. For terms and conditions regarding overdrafts, please refer to the "Your Deposit Account Agreement" booklet and "Business Pricing Information" brochure.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

In Case of Errors or Questions About Your Checking, Savings, ATM, Debit Card, ACH, Bill Pay and Other Electronic Transfers If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days* after we sent you the FIRST statement on which the error or problem appeared. Telephone us at the number listed on the front of this statement or write to us at U.S. Bank P.O. Box 64991 St. Paul, MN 55164-9505.

• Tell us your name and account number.

• Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.

• Tell us the dollar amount of the suspected error.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, we may take up to 45 days to investigate your complaint. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

CONSUMER BILLING RIGHTS SUMMARY REGARDING YOUR RESERVE LINE

What To Do If You Think You Find A Mistake on Your Statement

If you think there is an error on your statement, write to us at:

U.S. Bank, P.O. Box 3528, Oshkosh, WI 54903-3528.

In your letter, give us the following information:

• Account information: Your name and account number.

• Dollar Amount: The dollar amount of the suspected error.

• Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must control us which be day better the error appealed on your statement. You must contify us of any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

• We cannot try to collect the amount in question, or report you as delinquent on that amount.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.

Reserve Line Balance Computation Method: To determine your Balance Subject to Interest Rate, use the dates and balances provided in the Reserve Line Balance Summary section. The date next to the first Balance Subject to Interest is day one for that balance and is applicable up to (but not including) the date of the next balance (if there is one). We multiply the Balance Subject to interest by the number of days it is applicable and add them up to get the same number of days in the billing cycle. We then divide the result by the number of billing days in the cycle. This is your Balance Subject to Interest Rate. Any unpaid interest charges and unpaid fees are not included in the Balance Subject to Interest. The *******INTEREST CHARGE*** begins from the date of each advance.

REPORTS TO AND FROM CREDIT BUREAUS FOR RESERVE LINES

We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.

CONSUMER REPORT DISPUTES

We may report information about negative account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 844.624.8230 or by writing to: U.S. Bank Attn: CRA Management, P.O. Box 3447, Oshkosh, WI 54903-3447. In order for us to assist you with your dispute, you must provide: your name, address and phone number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (e.g., affidavit of identity theft), if applicable.
