PROCUREMENT OFFICIALS

the MVPs in the fight against procurement fraud and corruption

The position of a procurement official is truly unique and tremendously important. A procurement official is the ONLY person who can identify the "Red Flags of Procurement Fraud and Corruption" in real time. Auditors and law enforcement see these "Red Flags" well after the crimes have been committed, if at all. It is this rare glimpse and ability to report these "Red Flags" that make the procurement official so unique and important. If you identify these "Red Flags," call the Hotline provided and become the MVP in the fight against procurement fraud and corruption!

Report suspicious
procurement activity
to the

FBI

202-324-7374

The "Red Flags of Procurement Fraud & Corruption" reflect possible indicators of procurement fraud and corruption derived from FBI investigative experience and do not represent a conclusion or recommendation of the FBI in regard to the approval or denial of a requested product or service purchase.

THE RED FLAGS

of procurement fraud and corruption
