12:00 ICP Speaker: David Ruelas from Gordian is going to talk with us about Job Order Contracting (JOC).

"JOC is an Indefinite Delivery Indefinite Quantity (IDIQ) construction delivery method that allows a large number of projects to be completed through a single, competitively-awarded contract. Job Order Contracts are awarded in compliance with your competitive bidding requirements, and Unit Prices are established up-front using localized labor, material and equipment costs."

1:00 Adjourn – Elvis Carter

Cost for non-members to attend is \$25. One time guests welcome at no charge.
