Creating a Dream Team – The Magic is in the Mix

[David Rabiner](#) - NIGP Instuctor- Short Bio is on the next page

Please make sure you join NIGP Oregon for our virtual on Thursday, May 4, from 12pm to 1pm. We are pleased to be bringing in international speaker David Rabiner.

David Rabiner has been a student of leadership, influence, peak performance, and team dynamics for most of his life, and he has been speaking, training, and facilitating for more than quarter century. At this point, his career total is more than 2,300 professional events in 15 countries and 46 states, putting him in the top 1% of speakers in the country.

David knows local government. He spent ten years working in local government administration, so he understands the unique leadership challenges that public sector managers face. As a result, David has a wide range of public sector clients and has presented over 800 times to government agencies, departments, and associations. David also understands the challenges of public procurement, and has spoken twice at the NIGP Forum and many times to local procurement associations.

Thursday's program is called "Creating a Dream Team - The Magic is in the Mix". It will be a fast-moving hour that will help you make sense of - and have fun with - the differences in people we need to work with, work for, and manage. This is a tool that will help you immediately at work, and you'll want to take it home as well.

You won't want to miss this. Sign up and plan on spending your Thursday lunch hour with NIGP Portland and David Rabiner.
